

The Cancer Council GS League

Millions of Australians enjoy playing golf and most golfers know a friend or family member who has battled with cancer.

This league aims to raise over half a million dollars in 2023 by simply awarding you, the golfer, prizes in rounds of golf you already play, in a fun new unique way.

The prizes are a THANK YOU for playing in the league. 70% of EVERY entry fee goes directly to cancer research and prizes.

Handicapped golfers, social golfers, indoor golfers, courses, brands and sponsors can all be part of this league.

Your next golf shot might just make a break though in Cancer Research!

Join the league today, have fun and help save a life!

- Join the league www.golfsurprizeleague.com.au and you'll get 4 credits for your next 4 games of golf.
- Each credit gives you access to the prize platform. Up to \$1,500 in prizes every time you play without needing to beat another player and three different ways to win! **\$8 goes directly to the Cancer Council!**
- Any social round or competition round. Prizes for stray shots! Prizes for beating target scores! There's even prizes hidden behind your tee time!
- After joining, use a credit and register the next time you play golf here <https://golfsurprize.au> before you tee off to receive a link on game day, via SMS, with your 3 big opportunities to win big prizes.

Proudly supporting
**Cancer
Council**
Victoria

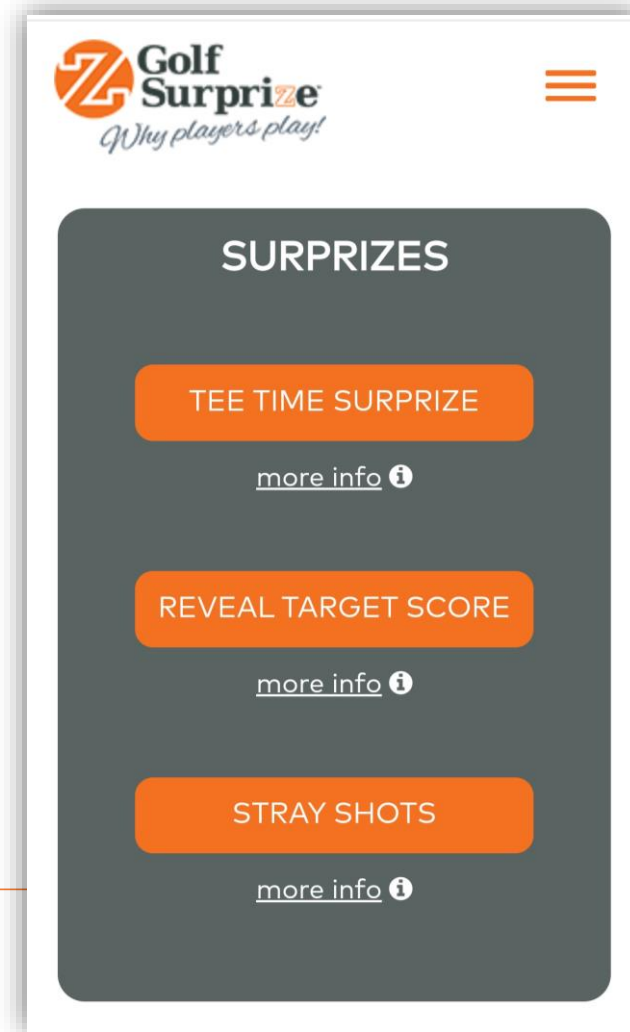

How do I win on game day?

Every round you can win in 3 different ways. Additionally you are automatically entered into the Big Surprise draws at the end of March 2023 and posted to the leader boards for even more prizes.

Every round you can win up to \$1,500 with:-

- prizes hidden under your **Tee Time**. *(make sure you let us know when your playing to activate the prizes.)*
- prizes for beating **Target Scores**. *(a Stableford score for handicap players and a hole score for social players.)*
- prizes for **Stray Shots**. *(that's right, you can win for the shots you don't like!)*

It's so simple to support the Cancer Council through golf.

Every golfer that joins the League **raises money** for the **Cancer Council** and helps us get closer to the goal of half a million in 2023.

Additionally we've added a big surprise draw with huge prizes on the 31st March 2023 and additional leader boards with prizes to win as well.

The only question is, do you want to have more fun in the rounds your already playing and win prizes in totally new unique fun ways and help cancer research ?

Please join today. www.golfsurprizeleague.com.au
